HBAS Pharmacy Technician Program Sets Students Up for Success!

Did you know that the Huntington Beach Adult School offers a successful and accredited FREE Pharmacy Technician program? The HBAS Pharmacy Technician program can be completed in less than a year and has a history of successful job placement in pharmacies throughout the Orange County area. Recently we celebrated our current Pharmacy Tech students with a BBQ during National Pharmacy Technician Week. During our luncheon, we reflected on the many students who have completed the HBAS Pharmacy Technician program. Our students are pursuing new opportunities, entering the medical field, and inspiring their families, especially their children, with their dedication to furthering their education and increasing their opportunities.

In addition to guiding students through the completion of their career program, HBAS provides an extensive support system to help students overcome barriers to learning and prepare them for success in their new careers.

We believe education is a collaborative effort, and it's heartening to see how our community comes together to uplift one another. Each student's success is a testament to their hard work and perseverance, and we are proud to play a role in their journey. The skills they've gained will not only empower them in their careers but also enable them to positively impact the lives of others.

The three Pharmacy Technicians below recently completed our program and are working in the field. We asked them about their experience at HBAS and the growth they have achieved during this transformative time:

Tyler

- The instructors and program structure at HBAS are what I truly appreciate about the CTE experience. The hands-on lessons were especially valuable, as they prepared me for the realities of my career choices.
- I found that the CTE helped me develop essential skills in time management, communication, and patience. Despite the challenges, these three aspects played a crucial role in navigating my educational journey. For my family, completing the HBAS CTE certificate program demonstrated that I had a promising future as a Pharmacy Technician.
- It was a resource my family provided while I was still exploring my career options. The program was conveniently located, and the positive reputation of the courses I researched convinced me to give it a chance to grow and thrive.

Lina

- What I loved about the CTE program at HBAS was the friendliness and support from everyone. They are genuinely helpful in guiding you to achieve your goals and purpose.
- The CTE program gave me the confidence I needed to explore new career paths. It provided me with an excellent opportunity to gain the education necessary to pursue my aspirations.
- When I was searching for a program to obtain my Pharmacy Technician certification, I discovered HBAS. I reached out, and the application process was straightforward, which motivated me to take the next steps and commit my time and focus. The combination of online and in-person classes was convenient, and I greatly appreciated how willing everyone was to help and work with me.

Charity

- What I appreciated most was the understanding and support that everyone provided.
- Completing the program has made me feel accomplished and truly happy.
- I chose the HBAS CTE program because I graduated from high school there, allowing me to continue my education.

PRINCIPAL'S MESSAGE

Steve Curiel, Principal

Dear Community Members,

We are thrilled to announce our upcoming Job Fair, hosted in partnership with Orange County Workforce Solutions! This exciting event will take place on April 24, 2025, from 10:00 am to 1:00 pm at the Ocean View High School Gym and we invite all HBAS students and community members to join us.

With over 70 local employers and 20 community resource agencies, including Cal Optima, this job fair is a fantastic opportunity to explore a wide range of career options and connect with potential employers. Whether you are seeking full-time employment, internships, or simply looking to network, there will be something for everyone.

In addition to meeting with employers, attendees will have access to valuable resources and support services. Representatives from various community agencies will be on hand to provide information on healthcare, financial assistance, and other essential services.

We encourage you to come prepared with your resume and dress professionally, as many employers will be conducting on-the-spot interviews. This is your chance to make a great impression and take the next step in your career journey.

We look forward to seeing you there and supporting your professional growth!

Steve Curiel, Principal, Huntington Beach Adult School

HBAS and MemorialCare Celebrate First Medical Assistant Graduates

HBAS Medical Assistant graduates, HBUHSD Board Members Dr. Bonnie Castrey and Diana Carey and instructor Dr. Richard Rochin

In March 2024, a special partnership between HBAS and MemorialCare began to take shape with the launch of our Medical Assistant Certificate program. This collaboration aimed to provide valuable healthcare training to both MemorialCare incumbent workers and students from HBAS's advanced ESL classes. On December 19th, we gathered once again at the MemorialCare Foundation Facility in Fountain Valley to celebrate the hard work and dedication of our cohort who successfully completed the program.

This group was exceptional for several reasons. Of the 24 students who began the program, 14 were MemorialCare employees, and 10 were recruited from HBAS's ESL classes. Notably, nearly all of the HBAS students were non-native English speakers, with most having no previous allied health experience. This mix of incumbent workers and students aspiring to enter the medical field created a dynamic and supportive learning environment.

Throughout the program, students balanced coursework with work commitments, attending classes at both MemorialCare and HBAS facilities in the evenings and on weekends. This flexible schedule allowed students to continue their employment while gaining crucial skills in the healthcare sector.

Out of the 24 students who started the program, 22 completed the coursework, and 18 had finished their externships by the end of December, with two more planning to complete theirs shortly. All HBAS students completed the coursework, and eight out of ten finished their externships.

Looking ahead, HBAS is excited to launch a second cohort of students in March 2025, continuing its partnership with MemorialCare. Additionally, both organizations are exploring the possibility of a Community Health Worker cohort, further expanding opportunities for students and strengthening the healthcare workforce.

We are incredibly proud of this cohort's achievements and grateful for our ongoing partnership with MemorialCare to provide meaningful career pathways in healthcare.

SUPPORTING OUR STUDENTS

Why see a Counselor?

- Counseling offers a chance to explore areas of life that can bring more personal satisfaction and confidence.
- Helps students sort through personal difficulties and recognize the parts of their lives that are going well.
- Helps students identify strengths they already have to motivate and encourage progress.
- Strengths can be nurtured to become the tools for change, and to add clarity to life and ultimately benefit the student and others.

SUPPORTING OUR STUDENTS

Our Counselors:

Dr. Ashley Nguyen, our full-time counselor serving ASE, CTE and ESL students, holds a Bachelor of Arts degree in Psychology and Social Behavior and a Master of Arts Degree (and a credential) in educational counseling.

Ashley happily makes herself available to students who are struggling to meet their educational goals, due to both academic and nonacademic reasons. No issue is too small or large. Ashley is a great listener and is passionate about helping students succeed.

Erica Solis, our part-time School Counselor is happy to support students in the areas of academics, social-emotional well-being, and college and career. She earned a Master of Arts degree in School Counseling from Concordia University, Irvine, with a Pupil Personnel Services Credential in School Counseling and a Bachelor of Arts degree in Public Health Policy from the University of California, Irvine. She enjoys connecting students with community resources and problem-solving with them to overcome barriers to success. She is passionate about the connection between wellness and student success.

Our Job Developer:

Arlene Flores has eight years of experience working in the private sector as a Job Developer and Director of Career Services where she earned accolades for helping Students/Graduates prepare for success in their new careers by offering workshops, resume review and job search strategies. She also developed strong relationships with hiring managers, setting up interviews, interview prep., and job placements. She comes with over 20 years of experience in the Healthcare field as well as a strong background in sales and marketing.

Our Guidance Specialists:

Tammy Asaki has been a guidance specialist for Huntington Beach Adult School for over 28 years. She offers academic guidance for our High School Diploma students including transcript evaluation, registration, choosing a course of study, developing an educational plan, scheduling and course changes. She also maintains student records and can provide transcripts, letters, and verifications, as needed, for diploma students. Tammy has a Bachelor of Arts degree in Psychology from CSUF and her main goal is to help adult students graduate from high school and continue their education.

Melissa Alarcon has worked for HBAS for over six years. She started working first in ESL and is now a guidance counselor in ASE. She offers academic guidance for our High School Diploma and GED students including transcript evaluation, registration, choosing a course of study, developing an educational plan, scheduling and course changes. She also maintains student records and can provide transcripts, letters, and verifications, as needed, for diploma/GED students. Melissa has a Bachelor of Arts degree in Sociology from CSULA.

This course will help students become proficient in essential math operations used in the healthcare and administrative professions. It is required for students who did not pass the CTE Math Entrance Exam. Students will spend six weeks working asynchronously on the MyPath platform. Students must come to class on the first day to get their account set up and verified. After day one, students are able to work independently to grow their skills. At the end of the class, students will retake the CTE Math Assessment. Student attendance and grades are evaluated based on the amount of work completed during the six weeks. Students who do not spend a minimum of six hours per week in MyPath are less likely to move into other CTE classes.

Hybrid Computer Classes

Hybrid Course Information

These courses are entirely self-guided with the majority of work completed online. You are only required to attend class on the two specific dates listed below. Within the 5-week session, you can access and work on any lesson 24 hours a day and work as little or as much as you like—whatever suits you best. To budget your time, plan an average of 6 hours per week in online instruction (about 1 lesson per week). This includes reading the materials, watching video lessons, completing assignments and uploading your work.

PC only. Does not work with MAC computers.

Computer Requirements: Full version of Microsoft Office is required to learn the program (i.e. Word online requires you to have Word or higher, Excel requires Excel or higher, etc., not a starter edition). This must be installed on your computer prior to starting the class. Internet access is also required in order to successfully watch the video content and upload your completed assignments to the instructor. The online classes are based on a PC with Windows 10 or 11, **not a Mac**. A free download of Office 365 is available to HBAS students. Students must have excellent file management skills, be able to upload and download files and know how to split a screen.

Hybrid courses meets in person on the Gothard campus 2 times throughout the entire course while the majority of the learning will be completed online. See the required in-class meeting dates and times listed below.

CAREER TRAINING

Paraprofessional Certificate Program

Paraprofessionals are an integral part of both special education and the general education classroom. Certified paraprofessionals offer skills and contributions to the learning environment that make candidates highly valued and sought after in education. The topics in this course will prepare students for the exciting and rewarding field of special education.

Students will be introduced to the continuum of programs offered within the Huntington Beach Union High School District. Students will learn about special education law within the public school system—with a concentrated focus on IDEA and Individualized Education Programs (IEP's). After examining the macro effects, students will focus on the purpose of inclusion and the appropriate connections that a paraprofessional will have in the classroom. Teamwork, classroom teacher collaboration, and Level 1 ABA certification training will also be covered.

Students who complete the 30 hour training will receive a certificate of completion. In addition, the HBUHSD Classified Human Resources Department will be at the last class to speak about the application and hiring process. Many paraprofessional (teacher's aide) positions are open in the HBUHSD and surrounding school districts. This is a great time to start a new career while helping your local community.

ADULT AND KIDS SAVINGS COURSE

Saving Stars: Empowering Parents and Kids for Financial Success

This is a specialized two-part class aimed at strengthening the financial literacy of both parents and children. This guides parents through strategies to incentivize and nurture their children's savings habits for long-term financial well-being. Practical tools will be used to navigate conversations about money with their kids and instill the value of saving from an early age.

The second part will be engaged directly with children creating interactive activities and games that illustrate the basics and importance of saving. Through hands-on learning experiences tailored to their age group, children gain a foundational understanding of financial concepts and develop the confidence to make informed decisions about money.

Photographing the Bolsa Chica Wetlands - Workshop & Photo Walking Tour!

Because of the unique scenery and wildlife, the Bolsa Chica Wetlands attract photographers from all over; pros and amateurs alike. In this workshop we will focus on how to capture interesting and beautiful photos at the wetlands no matter your photography experience or camera. Forget about f stops and shutter speed – this is not a technical class. You will have fun learning insider tips about the wetlands, finding out the best locations and times to spot your favorite birds and wildlife, and examining what makes a great nature photo! We will meet 3 Saturdays in a row: The first Saturday will be in the classroom and the second and third Saturdays we will have a fun photo walk on location at the Bolsa Chica Wetlands. **Please be aware that the walks are 3 hours, slow paced and require walking on uneven terrain with some inclines.**

Admission Courses are open to any person 18 years of age or over who can profit from instruction. There is open, ongoing enrollment in most classes.

1098-T Tax Forms As a non-credit program HBAS does not issue 1098-T tax forms to HBAS students.

Fees A \$20 non-refundable registration fee is charged in most CTE classes as well as material or lab fees where needed.

Refund Policy

Sometimes it becomes necessary to cancel a class due to low enrollment or a problem with facilities or staff. If HBAS cancels a class, a full refund will be issued automatically. Student initiated refunds, minus a \$20 registration processing fee, will be granted if HBAS receives the request in writing at least 3 working days before the first day of class. A request for credit may be initiated by a student if received by HBAS in writing at least 1 day before the first day of class. **No refunds or credits may be requested after the first day of class.** There are no refunds for classes \$49 or less; however, a credit may be requested if done so in writing before the first day of class.

For refund policies for Kindergarten through 12 grade community education classes see the policy listed for the specific program on the hbas.edu website. For more information contact us at info@hbas.edu or (714) 842-4227.

No refund for classes less than \$49.

Returned Check Fee

The Adult School charges a fee of \$25 for checks returned to us for insufficient funds.

Attendance

A specific number of students is required to offer a class, and it may be closed if attendance falls below limits; therefore, students have an obligation to each other to attend regularly.

Enrollment Confirmation

All online registrations receive automatic confirmations via email. HBAS does not usually send confirmations of enrollment in a class. If you would like confirmation to be sent to you, please include a self-addressed, stamped envelope with the registration form or include your email address and a request for confirmation. You may also call the department one week prior to the start of the class.

Code of Conduct

To ensure that your experience while on our school campuses or at school-related events is pleasant and productive, and in the interest of presenting district employees and community members as positive role models to the students of this district, HBUHSD encourages positive communication and discourages volatile, hostile, or aggressive actions. Individuals who display any of these actions will be asked to communicate civilly. If corrective action is not taken by the abusing party, district employees may verbally notify the abusing party that the meeting, conference, or telephone conversation is terminated. If the meeting, conference, or conversation is on district premises, the offending party will be asked to leave promptly. Please visit our HBAS.edu for more information.

HBUHSD Uniform Complaint Procedures

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The district shall investigate and seek to resolve any complaints alleging failure to comply with applicable state and federal laws and regulations and/or alleging unlawful discrimination, harassment, intimidation, or bullying and seek to resolve those complaints in accordance with the procedures set out in the Uniform Complaint Procedures.

For more details visit www.hbusd.edu, select "Board" and then from the pull down menu select "Board Policies and Regulations."

Parking by HBAS Permit Only

Please park in marked spaces only, and do not park in Staff Parking. Park in green spaces no more than 30 minutes. Do not back in a space. Anyone not following these parking rules may be ticketed.

Equal Opportunity

This WIOA Title 1 financially assisted program is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.

The Governing Board recognizes a basic commitment to equal opportunity for all individuals in employment and education. It is the policy of the Board to uphold federal and state laws and other directives in promoting an affirmative action program which insures that discriminatory practices are eliminated in all areas of district employment and educational programs.

The Board affirms its position as an equal opportunity employer and upholds the right of every person to be employed and to advance on the basis of merit, ability and potential. Employment discrimination is prohibited on the basis of the person's actual or perceived race, religious creed, color, national origin, ancestry, age, marital status, pregnancy, physical or mental disability, medical condition, genetic information, veteran status, gender, gender identity, gender expression, sex, or sexual orientation.
